## UNI ALUMNI NOTEBOOK

---

- ▶ Denny Miller, a Uni grad who played basketball for John Wooden at UCLA and went on to a long career in films, television and commercials, passed away on September 9, at age 80.

After graduating Uni in the early 1950s, he lettered for Wooden in 1954 and 1958, mixed in with military service and then a chance to be a movie star at MGM. He starred as "Tarzan

the Ape Man” in 1959 and although the film made money, it was the only time he played the role. He was well known for his role as Duke Shannon in the TV series “Wagon Train” and then as the bearded, yellow-slicker-wearing fisherman for 14 years in commercials for Groton’s Fish Sticks.

He moved to Las Vegas in 2002; he contracted ALS over the past year, leading to his death earlier this month.
